

2022 Trek the Mighty Mac Bus Schedule

Welcome to Trek the Mighty Mac 2022! We are very excited to have you! Below, you will find the bus schedule for Saturday morning. Please note a few points:

- Pickup times are approximate, busses may come a few minutes earlier or a few minutes later than listed, so please be outside and ready.
- Some pickup locations have more people than will fit on one bus, don't worry, another bus is on its way.
- If you miss your bus, make your way to Little Bear East Arena at 275 Marquette St. You may park in the overflow lot and catch a bus from here at 9:45 AM.
- **You must have your bus ticket with you. You will need this to get on the bus, NO EXCEPTIONS. No ticket, no bus ride.**
- If you are staying at a different location than you listed when you registered, please go to Little Bear East Arena. Do not try to get on a bus at a hotel or campground that you didn't list at registration. Busses are completely full and the schedule has been meticulously made. If you get on a bus you aren't supposed to get on, you will be displacing someone else.
- Please note that pickup times are a little different than in past years, each bus is doing 3 runs instead of 2 this year.
