

Trek the Mighty Mac 2020

Bus Schedule

Please Note:

- Some stops have multiple buses coming so if a bus fills and there is no room for you, don't worry, another bus is on the way.
- Please be ready at your pick-up time and keep an eye out for the bus. If buses are running ahead of schedule, you may need to be ready a few minutes early. Buses also may have multiple stops before yours, so if your bus doesn't arrive right on time, it is on its way.
- It is very important that you wear masks at all times while on the bus.
- Anyone staying anywhere other than a St. Ignace hotel must park at Little Bear for pick up.
