Dear Mr. Cevallos,

I have applied for Diversity, Equity and Inclusion (DEI) funds at the University of Michigan so that you can do a talk called Native American Art in Modern Times at the University of Michigan-Dearborn. The event will be held at the University on September 6, 2023. You will be our featured speaker and the art you bring will be appreciated by the whole campus.

The last DEI event I held on campus was a huge success with a Native American artist presenting his work and giving a talk on April 4, 2022. It is so important to expose college students to Native American Art and culture and I would be honored if you could be our keynote speaker at the event in September 2023.

Please let me know if you have any questions or concerns.

Best Regards,

---

Patricia A. Hartshorn  
Lecturer IV Natural Sciences
